Attachments: water results converted.xlsx; EPA Regional Screening Level Summary Table.pdf

Jason,

FYI Only –

This is the initial data that BIA sent to us.

Steve Wall is our (R9) Landfill Engineer/expert

United States Environmental Protection Agency

Subject: FW: NEW LAYTONVILLE TAP WATER ANALYSIS TABLE

Hi Patrick, here are some updated tap water analysis data. It looks like the results are from the same sampling event, but, have been revised due to some conversion made by BIA's contractor. I asked for some explanation of the conversion.
Steve
